

CHINA IMPERIAL SPRINGS INT. SUMMIT

tradition for a new century

Gently integrated with the rolling hills this boutique villa style resort overlooks the international 27 hole tournament style golf course and clubhouse. Designed for the top tier in the luxury market the hotel villas feature a 2,500 sm presidential villa, and others range in size from 200-800 sm. In addition to the 47 hotel villas there are 90 all-suite guest rooms, restaurants and a spa and conference center. The exclusiveness of this resort still keeps a personal note. With the contemporary Chinese architecture the rich, powerful estate feeling is combined with the warm, comfortable and individual character that makes this a one-of-a-kind experience.
